Dear Brother Johnson,

Your letter has been received. It was our desire to have the Payne Singers on that Sunday Afternoon, which we feel is better because of certain other events about town on the dates you have given us.

We regret that the change had to come about. If you can come the first Sunday in June at 3:00 P.M., we will appreciate the same. This day, June 1, is open and we hope that it will meet with your approval and schedule.

Please let us hear from you soon in regard to this this matter.

Dear Sir:

Will The Payne Singers be in this area at any time this school year? If so, could you arrange to get them to appear under our auspices at a date and time suitable to them? We realize that to bring them all the way from Ohio here would be prohibitive, financially, therefore we would like to arrange for them at a time when they might be in this area. Perhaps around the time of General Conference? What are their financial arrangements for a program, and any other details?

Hoping to hear from you soon, I am

Dear Rem:

On behalf of the Ohio Methodist Student Movement, we want to express our appreciation to you for the use of the lovely Payne Theological Chapel. Although it is incomplete, we can already begin to see what a beautiful chapel it will be, and I know that you are getting anxious to have it completed so that you might have the use of it.

Several of our students told us that the high point of our entire conference was the communion service in the Chapel. I do not know of any other setting which would have been as effective as the one there.

We also want to express our deep appreciation to you for your participation, and to the chorus, and to the ushers, and all others who may have had a part in helping to make that service such a fine success.

You certainly can be proud of that wonderful chorus. We are really looking forward to having them up here sometime, when we might have them sing for our students. They really added tremendously to the service.

Your ushers, also, did an excellent piece of work. The ushers seem to me to be the unsung heroes at many services of that kind, for without them the service does not go smoothly, and it did in this case,

Again let us thank you for the use of the Chapel, and for the wonderful cooperation of all of you. We hope that when you are in Columbus you will stop and see us. Jean and I would be particularly glad to have you stop at our home.

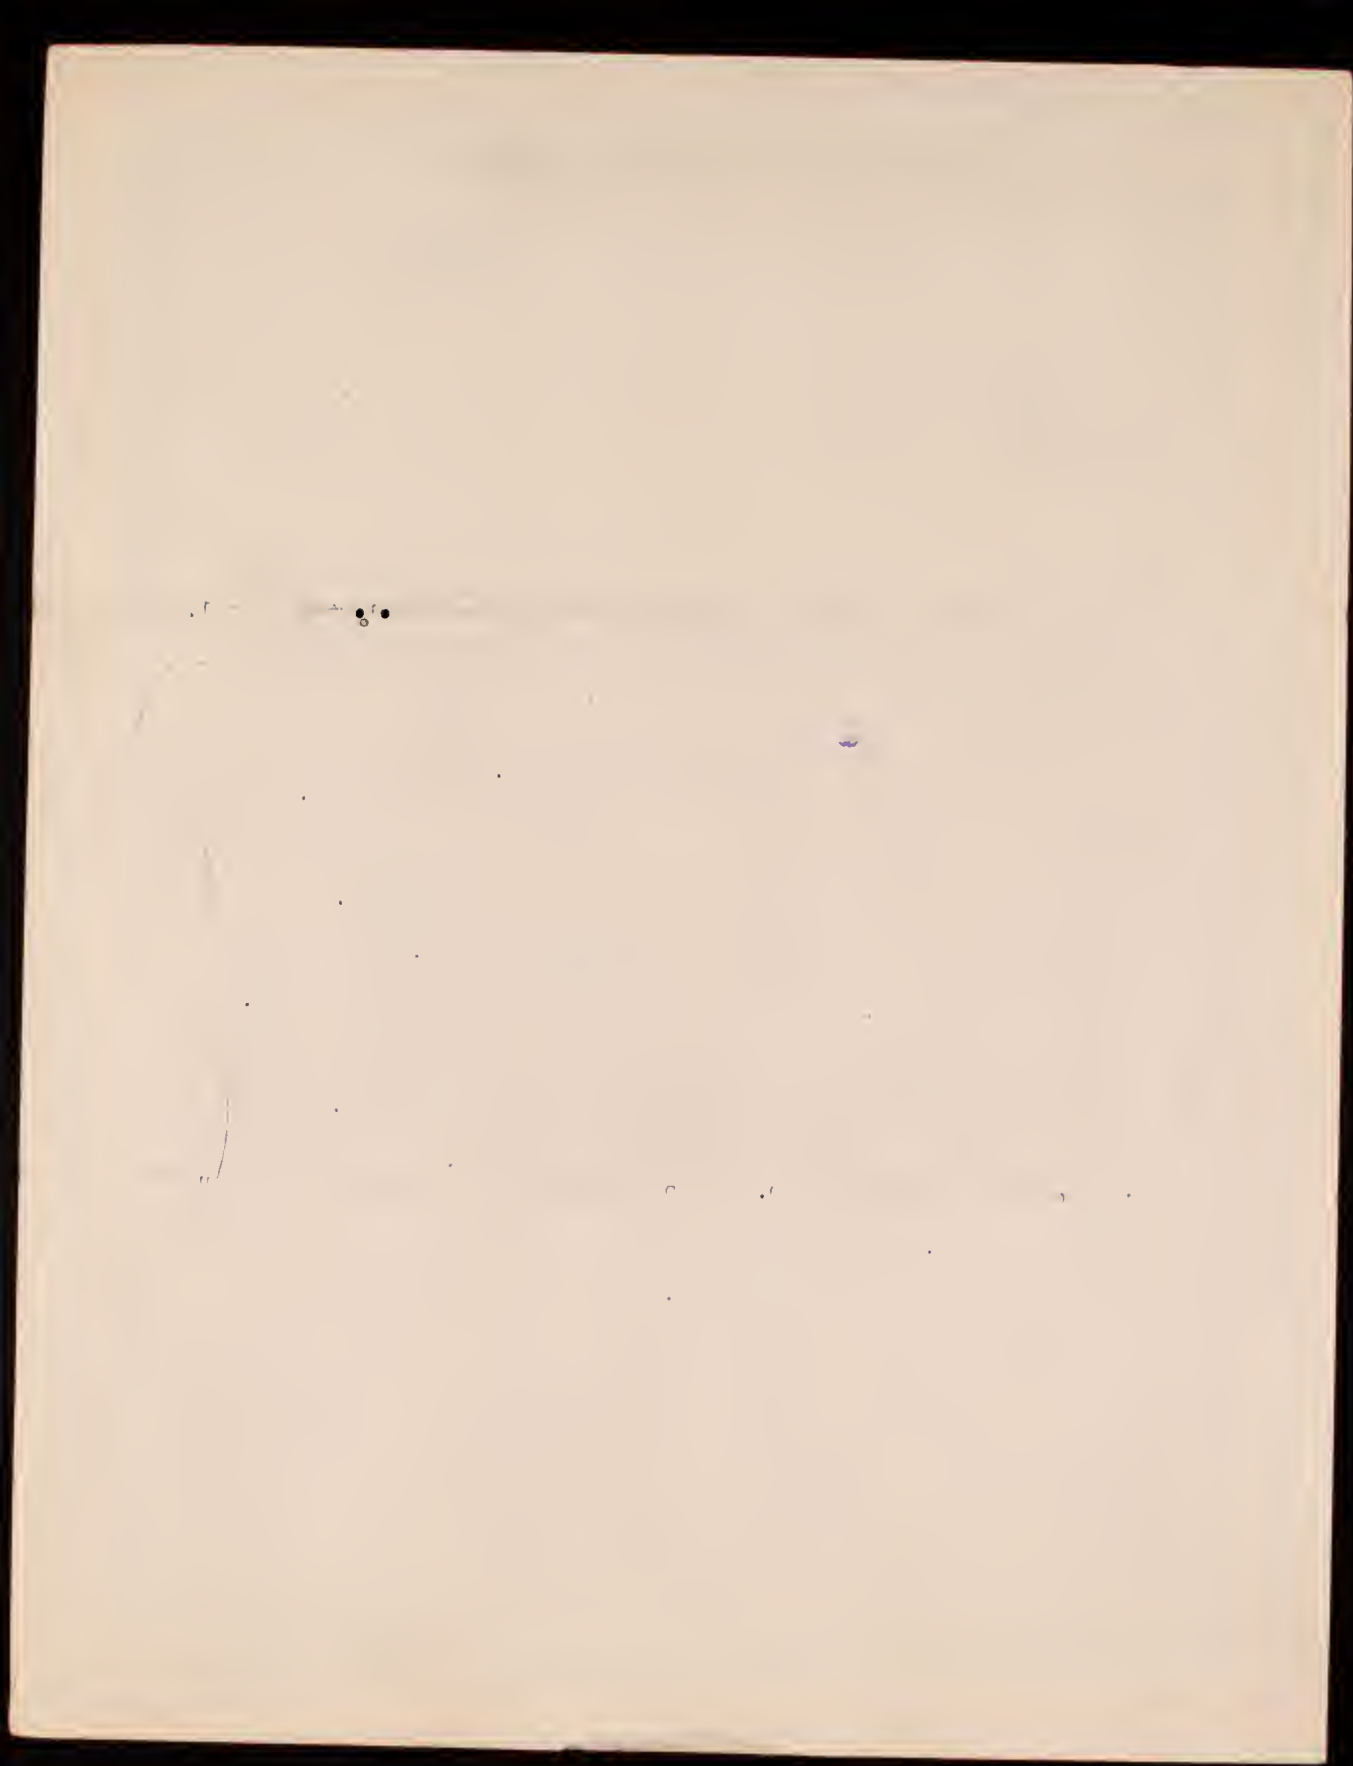

Best wishes to you in your work.

Sincerely

Darold

Dear Friend,

On behalf of the Ohio Methodist Student Movement I wish to extend to you a hearty "thanks" for all you did to make it possible for the conference to be a success. We are greatly indebted to you for the splendid work you performed. In order for a conference to be held on any campus much preliminary planning and hard work must be done. You did an excellent job of work both before and during the conference. The meals were all delicious and well served. Everyone was completely satisfied. We hope it didn't crowd you too much with the housing arrangements. We who stayed in the dorms felt it was a wonderful experience and met many excellent girls and fellows on your campus. They are very friendly and cooperative. You do have a beautiful campus and it sounds from your president that you have many great dreams before you as to the growth of your campus.

Again let us thank you for such kind hospitality you showed the O.M.S.M. while we were on campus.

Sincerely,

Janet Steele, Sect'y.

Ohio Methodist Student Movement.

P.S. We especially want to thank you for making the arrangements for the service to be held in the Chapel Saturday night.

Dear Dr. Stoakes:

Your letter of the 13th stating that classes begin on the 20th of September, and that the Payne Singers would not be able to appear to the best advantage on October 3, has been received. My situation is such that our Promotion Day Program must go on on the 1st Sunday in October and one of the things that we hoped to accomplish out of it is to raise some funds to augment the conference claims. It is not possible for us to change to a later date. I had anticipated that the boys would be just coming back from their vacation and perhaps would only have a very short time to prepare a program. However, I feel that they could account for themselves well if they can get in some rehearsals on the songs that they have sung together. We would expect their part of program to be between 15 minutes and an hour. The entire service we would hope to be not more than 1 1/2 hours.

I called to give you my situation in the matter but you had already left the campus. I requested Dr. Howell to convey my message to you at the Pittsburgh Conference but for fear that you may not be attending the Pittsburgh Conference and may be at some other Conference in some other State, I decided to write this letter so it would be at Wilberforce when you arrive. I have already advertised their appearance and have been doing it all through the summer. It would be a great disappointment and a great disruption of my plans for Promotion Day if they do not appear.

If they will come I would still like to come down any day that you will be in Wilberforce next week to discuss the length of program and where they would fit in and also the matter of entertainment.

Very truly yours,

Edmund B. Paxton
